Buzz is a Polish airline headquartered in Warsaw. Formerly called Ryanair Sun, it is a subsidiary of the Irish airline company Ryanair Holdings and a sister airline to Ryanair, Ryanair UK, Malta Air and Lauda Europe.

Formed in 2017 and initially positioned as a charter airline without any scheduled services, Buzz operates scheduled flights on behalf of Ryanair, and charter flights in its own right, out of Poland. In March 2019, Ryanair announced that Ryanair Sun would be rebranded as Buzz in autumn 2019. Buzz commenced operations in January 2020. On April 3, 2018, the carrier received an air operator's certificate granted by the Polish Civil Aviation Authority. It started operations on 23 April 2018 and the first flight took place on 26 April 2018, on the route from Poznań–Ławica Airport to Zakynthos International Airport.

The Boeing 737 MAX is the fourth generation of the Boeing 737, a narrow-body airliner manufactured by Boeing Commercial Airplanes (BCA), a division of American company Boeing. It succeeds the Boeing 737 Next Generation (NG) and competes with the Airbus A320neo family. The 737 MAX is based on earlier 737 designs, with more efficient CFM International LEAP-1B engines, aerodynamic changes, including its distinctive split-tip winglets, and airframe modifications. The new series was announced on August 30, 2011. It took its maiden flight on January 29, 2016 and was certified by the U.S. Federal Aviation Administration (FAA) in March 2017. The first delivery was a MAX 8 in May 2017 to Malindo Air, with whom it commenced service on May 22, 2017.
